SPONSORSHIP
October 8 and 9, 2018

<http://www.conference.co.nz/anzgosa-anzhpba-18>

We would like to offer you the opportunity to sponsor the ANZHPBA / ANZGOSA Annual meeting being held on the 8th & 9th of October 2018. We are thrilled to be holding this meeting at Te Papa in Wellington, New Zealand. This will be the third joint ANZHPBA and ANZGOSA meeting held in New Zealand. The previous meetings were held in 2010 and 2014 and were very well attended and successful.

We are privileged to have confirmed speakers of Professor David Flum, Washington USA and Associate Professor Thomas Aloias, Houston Texas, USA.

The meeting will have a comprehensive program and is expected to be well supported by Australian and New Zealand HPB and Upper gastrointestinal surgeons, with total registrations expected in the vicinity of 280.

This educational meeting will be run over 2 days. The meeting will run all day Monday and Tuesday. A conference welcome drinks will be held Sunday evening and the conference dinner will be held on Monday evening. The scientific committee is currently putting together a comprehensive and balanced academic programme. There will be separate, focused Upper GI and HPB sessions and a combined day discussing areas of shared interest. The content will be relevant to specialists in these areas and General Surgeons with an interest. We are also currently developing a 3rd concurrent session for the Monday for critical care nurses.

Themes for the meeting will include:

- Management of metastatic cancer
- Pre-op assessment
- Inoperative management
- Measuring risk in HPB Surgery
- Cases at the edge
- The great debate – open-laparoscopic-robot?
- Risks to your practice
- Risk it or too risky? Issues in managing HPB/Upper GI emergencies as a non-specialist surgeon
- Managing the fallout: rescue and salvage

We welcome your support of our annual meeting and we encourage your active participation. See you in Wellington.

Kindest regards,

Professor Wendy Brown, President ANZGOSA

Professor Arthur Richardson, President ANZHPBA
